

BEAR MCGILLEM

FOR HAVELOCK CITY COMMISSIONER • NOV 3, 2026

A Havelock native. A taxpayer. A CDL-A driver who knows these roads. Not a politician — running because nobody else will say it out loud.

MY PLATFORM — FOUR THINGS, ALL SPECIFIC

- 1 Enforce the ordinances we already have, before writing new ones.
- 2 Pursue the no-cost truck restriction on McCotter — five schools, hundreds of homes.
- 3 Answer every constituent email within two weeks, barring unforeseen life events.
- 4 Improve HPD training so enforcement is consistent, not a shift-by-shift judgment call.

81 noise complaints. 6 enforcement actions — a 7.4% response rate. Zero in the two most recent records periods.
